Message

Dear Readers

We owe freedom of choice and action to those men and women in uniform who have served this nation and its interests in times of need. In particular, we are forever indebted to those who have given their lives, so that we might be free. Those legends from the annals of history who have paved a legacy of heroic culture and traditions are the foundations upon which we build our identity. This connects us to our past, gives shape to our values which determine the future.

It was overwhelming to witness an event which brought the glory of our historic heroes like Maharana Pratap come alive on the stage. 'Veeron Ka Veer - Maharana Pratap', the annual Day cum Prize Distribution Function of the school was a rich tribute to such legends. After two years and post the covid era the tiny tots of prep school with all their energy, talent and coordination presented a spectacular show. My heartiest congratulations to the students, teachers and Headmistress for putting up a grand show.

We are also fortunate to receive the love and respect of all the parents who have made sure that the learning gaps created after the pandemic have been filled up with proper coordination with the teaching faculty at school. The tally of awards that the school has been winning has been possible only because the school is blessed with proactive, aware and updated set of parents. You become our strength at all junctures. Together we can make all the difference to our young ones.

May our little ones find their true calling and may they be determined, focused and innovative in tracing out their life journeys.

Warm Regards

Soumya Gulati

Deputy Director, Academic Development and Innovation
